MONETARY AUTHORITY OF SINGAPORE - STATUTORY GUIDELINES
SECURITIES AND FUTURES ACT (CAP. 289)
PART IV: CONDUCT REQUIREMENTS FOR MARKETING FINANCIAL PRODUCTS
Section 5.2 - Fair and Balanced Representation of Risks and Returns
(a) Marketing collateral must avoid creating an ungrounded expectation of guaranteed yield.

STATUTORY VIOLATION / BREACH CLAUSE

MAS Guideline 5.2(b)

Any statement regarding potential investment returns or capital gains must be prominently accompanied by a clear warning that past performance is not indicative of future results, and that principal value and yields will fluctuate with market conditions.

(c) The font size of statutory disclosures must possess visual parity with the primary promotional headline.
(d) Footnotes, low-contrast typography, or distant hyperlinks do not fulfill prominent placement criteria.
(e) Past fund yield tables must cover a minimum mandatory baseline of 5 consecutive calendar years.
